

DEPUTY MANAGER, CARE SERVICES

Values based employer

Mosman location

Become part of an energetic team

Our Client is seeking an educated, experienced and energetic Deputy Manager, Care Services to join their friendly team in the heart of Mosman. This is a small facility in luxurious surroundings. Not only are your surrounds ideal, you will love working with this organisation who are a 'cut above' the rest in all that they do – including caring for their employees!

As the Deputy Manager, Care Services, you will work in partnership with the Deputy Facility Manager and be supported by the Manager, Operations. Collaboratively, you will be managing the budget, care, occupancy and resources at the facility. Liaising with residents, families and allied health professionals will be something you are good at, and enjoy.

To fit into this dynamic team you have a combined 'go getter' attitude and strong clinical skills. Ideally, you will have been a Registered Nurse for five years, with three years aged care experience. You will have a management qualification, and a desire for further professional development with this innovative boutique aged care provider.

Please submit your application to sarah@pjconsulting.com.au or for further information call Sarah Williams on 02 8084 2681 or 0402 340 347. All enquiries are confidential.
